3.1.1 The terms of the Offer;

3.1.2 The documents you have to sign; and

5 Legal Advice and Valuations

5.1 You must take independent legal advice in connection with your obligations under the Lifetime Mortgage. For the avoidance of doubt, you are responsible for meeting your own legal fees incurred in arranging the Lifetime Mortgage.

5.2 The Valuation has been prepared solely to enable us to consider your application for the Lifetime Mortgage. Accordingly, we are not giving you any warranty as to its accuracy or reliability and we will not be responsible to you or your estate in any way in respect of the Valuation, its accuracy or reliability or any other matters relating to it.

5.3 We may decide to revalue the Property but we will tell you at least 14 days before we intend to do this. Please see Section 19 for details regarding what may happen as a result of a revaluation of the Property.

6 Specified Repairs/Improvements

- 6.1 This paragraph 6 only applies if there are Specified Repairs/Improvements.
- 6.2 We will keep back from the Initial Advance the amount specified in the Offer in respect of the Works. The Works must be carried out by any dates specified in the Schedule of Works. If the Works are not completed to the required standard, or within the timescales agreed within the Schedule of Works, we will be entitled (but not obliged) to arrange for the Works to be done. You will permit access to the Property to us and the agents, workmen and contractors we may appoint at any reasonable time for this purpose.
- 6.3 If the cost of the Works (and any expenses we incur in making arrangements for their completion) is more than the amount specified in the Offer, you will be responsible for paying the excess as a Cost. This Cost may be added to your Lifetime Mortgage balance and if so will accrue interest.
- 6.4 In the case of repairs we reserve the right for us, or our agents, to inspect the Works to ensure that they have been done satisfactorily before we pay the amount kept back to you in accordance with paragraph 6.2.
- 6.5 If the Works include improvements, our surveyor will be instructed to inspect again to ensure that the improvements have been carried out to a satisfactory standard and to the specification, Schedule of Works, estimate or plan that he was shown when arriving at his valuation figure. You will be responsible for the cost of re-inspection as a Cost, which will be non-refundable. On receiving a satisfactory report from the surveyor, we will pay you the amount we kept back in accordance with paragraph 6.2.
- 6.6 Failure to complete the Works to our satisfaction (as determined at our sole discretion) by the date specified may result in us withholding part of the Initial Advance and the cancellation of any Drawdown Facility.

7 Completion

- 7.1 Completion will take place as soon as reasonably possible after the conditions specified in paragraph 4.1 have been satisfied.
- 7.2 On Completion we will pay the Initial Advance to your solicitors less any amounts retained under the Offer and any amounts required to redeem any existing mortgage(s) or secured loan(s).
- 7.3 If the Offer refers to redemption of existing mortgage(s)/secured loan(s), our solicitors will be required to redeem the existing mortgage(s)/secured loan(s) at the same time as the Completion occurs. If the total amount required to repay the existing mortgage(s)/secured loan(s) is more than the Initial Advance you will be responsible for paying the extra amount required to our solicitors in time for Completion.
- 7.4 Following Completion we will send you a letter confirming the date of Completion.

Pure Retirement Heritage Lifetime Mortgage Conditions

B. Charges and Interest

8 Interest

- 8.1 Interest is charged at the Interest Rate set out in the Offer and any subsequent Offer, at the Interest Rate that is fixed for each Initial Advance, and any release of funds under the Drawdown Facility and/or Further Advance. The relevant Interest Rate is fixed on the date of the relevant drawdown. Interest will continue to apply at these fixed rates until the Total Outstanding has been repaid in full.
- 8.2 Interest will be accrued and calculated daily on the Total Outstanding from the date on which the Initial Advance, any amount under the Drawdown Facility or each Further Advance is advanced or the Fee is incurred until the Total Outstanding is fully repaid.
- 8.3 Interest will also be calculated daily on all Costs and Charges as part of the Total Outstanding when these are applied to the account under paragraph 9.4. Where different interest rates apply to each of the Initial Advance and each Advance under the Drawdown Facility and any Further Advance, Interest on any Costs and Charges will be allocated and charged on a pro rata basis.
- 8.4 Interest will be charged over 365 days in a normal calendar year and over 366 days in a leap year.
- 8.5 The accrued interest is added to each Initial Advance, and each advance under the Drawdown Facility or Further Advance at the end of each calendar month so increasing the Total Outstanding. We will then charge Interest on this new balance. Details of the effect of this compounding of interest can be seen in section 8 of your Initial Advance Offer, section 4 of your use of Drawdown Facility Offer and section 8 of your Further Advance Offer.
- 8.6 At least once in every year for the duration of your Lifetime Mortgage we will send you a statement showing how much interest we have added to your Initial Advance, and each Advance under the Drawdown Facility any Further Advance(s) and the Total Outstanding.
- 8.7 When you repay the Total Outstanding it will include interest from the first day of the month until the repayment date.

9 Charges Costs and the Tariff

- 9.1 In the Tariff we set out certain fees and charges for providing various services. We may amend these, remove Charges or introduce new Charges, from time to time. We will only increase a Charge to reflect reasonable increases in our costs for providing the relevant service.
- 9.2 We will send you a copy of any revised Tariff at least one month before it takes effect.
- 9.3 We will only introduce new Charges where these reflect genuine actual or reasonably anticipated costs for providing the relevant service.
- 9.4 Costs and Charges will be applied to your account when they are incurred. We will notify you of this when this has been done. Costs and Charges will incur Interest as set out in Paragraph 8.3.

C. Repayment

10 Repayment

- 10.1 The Total Outstanding becomes due and payable when the first of the following events occurs:
- 10.1.1 If you are the only Borrower:
- (i) When you die or,
 - (ii) When you leave the Property permanently because you need long term care.
- 10.1.2 If you are joint Borrowers:
- (i) When you have both died or,
 - (ii) When both of you leave (or the survivor of you leaves) the Property permanently because you need long term care or,
 - (iii) When one of you has left the Property permanently because you need long term care and the other dies.
- 10.1.3 If a Designated Event occurs.
- 10.2 We may ask you for reasonable information or evidence about why you are going into long term care. You will provide us with this information within a reasonable period of the request.
- 10.3 For a period of 6 months from the date of the occurrence of an event under paragraph 10.1.1, 10.1.2 or 10.1.3, you or your Personal Representatives will be given the opportunity to arrange a sale of the Property. During this period reasonable action must be taken to sell the entire Property.
- 10.4 You or your Personal Representatives must inform us of the proposed sale price of the Property and provide any other information which we may reasonably require. Where the sale price (net of any expenses which may be incurred on sale) is less than the Total Outstanding then you must seek our prior written approval to the sale.
- 10.5 We may obtain an independent valuation to ensure that the Property is sold at the best price reasonably obtainable. If we do, you must pay the valuer's fee and we can insist that you use this figure as the sale price.
- 10.6 If we are unable to agree a sale price the matter will be referred to a surveyor who is acceptable to us both. If we cannot agree a surveyor within fourteen days, both parties will accept the appointment suggested by the president of the Royal Institution of Chartered Surveyors. The surveyor will be acting as an expert and his decision as to the sale price will be final and binding.
- 10.7 Any sale must be at arms' length on the best terms reasonably obtainable.
- 10.8 If at any time during the 6 month period set out in paragraph 10.3 we consider, acting reasonably, that insufficient action is being taken to sell the Property we may demand immediate repayment of the Total Outstanding.

Pure Retirement Heritage Lifetime Mortgage Conditions

11 Early/Voluntary Repayment

- 11.1 Although the Lifetime Mortgage is designed to last for the rest of your life or until you leave the property permanently because you need long term care, you may at any time repay all or part of the Total Outstanding.
- 11.2 If you voluntarily repay all or make a Partial Repayment of the Total Outstanding we may charge an Early Repayment Charge. Section 13 & 14 of your Initial Advance Offer, section 14 & 15 of your Further Advance Offer and section 7 & 8 of your Drawdown Facility Offer sets out the circumstances in which you will or will not have to pay the Early Repayment Charge and how it is calculated.
- 11.3 Under no circumstances will the Early Repayment Charge exceed the Maximum Early Repayment Charge.

12 No-Negative-Equity Guarantee

- 12.1 Subject to paragraph 12.2 and 12.3, if the Property is sold under paragraph 10 and the net proceeds of sale are insufficient to discharge the Total Outstanding in full, we will not make any claim against you or your estate for the shortfall.
- 12.2 If your Personal Representatives wish to sell the Property during the 6 month period referred to in paragraph 10.4 or if the Property is to be sold for any other reason and a Designated Event has occurred but the proposed sale price is such that the net proceeds of sale will be insufficient to repay the Total Outstanding in full, we will only be obliged to agree to the sale and release the Mortgage where we are satisfied that the proposed sale price reflects the open market value of the Property and the costs and expenses of the proposed sale are reasonable.
- 12.3 Please note that this 'no-negative-equity guarantee' does not apply following a Designated Event.

D. Changes in Circumstances

13 Sale of the Property

- 13.1 If you wish to sell the Property and none of the events in paragraph 10.1 have occurred, you (or if joint borrowers, both of you) must give us written notice of your intention and we will consent to the sale provided that the net sale proceeds will be sufficient to repay the Total Outstanding, including any Early Repayment Charge.
- 13.2 Your Lifetime Mortgage is secured on the Property. You must not sell or transfer any part of the Property without our written permission, as it may affect our security. For example, if you wish to sell part of the Property and this will reduce the value or appeal of the Property we may not agree to the sale, or we may reduce your Cash Facility and you may have to repay all or part of the Total Outstanding. In this instance you may have to pay an Early Repayment Charge.
- 13.3 You must tell us as soon as possible if you intend to sell or transfer part of the Property or make any declaration of trust in relation to part of the Property. You may be able to sell or transfer part of the Property or make a declaration of trust, subject to our lending criteria at the time you apply. You must not sell or transfer part of the Property, or any interest in it, without our written permission. You must not enter into a sale contract or other legal document relating to the Property without our written permission.

- 13.4 If you intend to sell or transfer part of the Property, you will have to pay Charges to us, which might include a non-refundable valuation fee. You will also be responsible for paying all of the legal expenses and costs, including our Charges and Fees, even if we do not agree to the sale or transfer, or it does not complete.
- 13.5 If you apply to us to sell or transfer part of the Property we may obtain a valuation of the Property by an independent, qualified valuer who will report on the value and appeal of the Property before and after the proposed part sale or transfer. You will need to pay a non-refundable valuation fee before the valuation of the Property.
- 13.6 If we agree to the sale or transfer of part of the Property, we may reduce your Cash Facility and we may ask you to repay part of the Total Outstanding and you may have to pay an Early Repayment Charge.
- 13.7 If the sale or transfer of part of the Property is not acceptable to us and you wish to proceed with the sale or transfer, you must repay the Total Outstanding and you may have to pay an Early Repayment Charge.

14 Drawdown Facility

- 14.1 Under the Drawdown Facility you may be able to borrow additional amounts (if you did not take the maximum available as your Initial Advance) up to the amount as determined from the defined maximum available Cash Facility as detailed in your Offer.
- 14.2 The availability of the Drawdown Facility is not guaranteed.

15 Further Advances

- 15.1 You may in the future apply to us for a Further Advance.
- 15.2 We confirm that it will be our intention to approve any application which you may make for a Further Advance provided that the value of the Property is sufficient and your application fulfils both our underwriting policy or the underwriting policy of any party to whom we have sold or transferred our rights under the Lifetime Mortgage and the Terms and Conditions in force at the time we receive your application.
- 15.3 Please note that this paragraph 15 does not impose any legally binding obligation on us to accept any application for a Further Advance.

16 Moving Property

- 16.1 If you wish to sell the Property and acquire a new property (called here the New Property), you may apply to us to vary the terms of the Lifetime Mortgage so that the New Property is substituted for the Property. If two of you are taking part in the Lifetime Mortgage both of you must make the application. If you wish to apply, please submit a written request, giving details of the New Property. You will have to pay all our reasonable costs relating to the move and the fee we charge at that time for applications to transfer the Mortgage from the Property to the New Property.
- 16.2 We will only accept your application where:
- 16.2.1 There is an acceptable valuation of the New Property;

Pure Retirement Heritage Lifetime Mortgage Conditions

- 16.2.2 Your application satisfies the underwriting and other criteria we apply to any new applications at that time; and
- 16.2.3 You have kept to the terms of your Lifetime Mortgage.
- 16.3 We will issue a new Offer and will require a new Mortgage over the New Property.
- 16.4 Moving to a new property may require a partial repayment of the Total Outstanding however no Early Repayment Charge will be payable.
- 16.5 The release of our Mortgage on the Property and the substitution of the Mortgage on the New Property must take place simultaneously.

17 Marriage or Remarriage and Civil Partnerships

- 17.1 In the event that you get married or enter a civil partnership you are required to inform us in writing and will require our consent before your new spouse or civil partner can occupy the Property (see paragraph 20).
- 17.2 Your spouse or civil partner will be required to sign a written acknowledgment of the existence of the Mortgage and confirm that he/she waives any interest they may have in the Property.
- 17.3 Alternatively, you can apply to us for your Property to be transferred into the joint names of you and your spouse or civil partner and for your spouse or civil partner to be added to the Mortgage subject to our underwriting policy. This may involve partial repayment of the Total Outstanding. You will be responsible for all costs associated with this transfer.

E. Ongoing Obligations

18 Insurance

- 18.1 We require that you insure the Property at all times with a reputable insurer in the manner set out in section 12 of your Initial Advance Offer, and section 13 of your Further Advance Offer. You will be responsible for the cost of this.
- 18.2 You must not do anything to invalidate the insurance cover.
- 18.3 You must pay all insurance premiums on time but if you fail to do so we will be entitled (but not bound) to obtain suitable insurance to our (but not your) interest in the Property and you must reimburse us our costs.
- 18.4 Unless we agree otherwise in writing, all insurance proceeds will be applied in making good the loss or damage to the Property. If you, or in the case of joint borrowers both of you, have died or ceased to live permanently at the Property because you need long term care, before the insurance proceeds are received, we will be entitled to use them to repay the Total Outstanding.

19 Repairs

- 19.1 You must keep the Property and all its buildings, fixtures and other structures in good and substantial repair and condition, and fully protected from damage and deterioration as a result of weather or malicious damage.

- 19.2 We may decide to inspect the Property, but we will tell you at least 14 days before we intend to do this, unless there is an emergency at the Property.
- 19.3 You must permit our representatives or our agents to enter the Property for the purpose in paragraph 19.2 provided that we have given you at least 14 days' notice.
- 19.4 If, after inspection, the Property is not being maintained then we may ask you to carry out the repairs at your own expense. Any repairs must be carried out within six months. However we may specify a shorter period if we reasonably consider that the repairs are urgently required. You must notify us of their completion. We and our agents will be entitled to re-inspect the Property on 14 days notice to check that the repairs are satisfactory. However, if the repairs are not made or are not satisfactory, we may arrange for the repairs to be carried out on your behalf and you will need to pay any Costs that we incur. If you fail to pay those Costs when we ask, we will add them to the Total Outstanding, and Interest will apply to those Costs. If, in our reasonable opinion, we decide that the Property is not being maintained in accordance with Section 19.1 and you fail to carry out the repairs required under Section 19.1, this will be a serious breach of your Lifetime Mortgage.

20 Tenancies, Mortgages and Alterations

- 20.1 You must not create any tenancy or licence, or otherwise part with possession, or let any person (including your husband or wife if you marry after completion or your civil partner if you enter a civil partnership after Completion) into occupation, of the whole or any part of the Property (each of these things is called a 'Relevant Event' in this paragraph 20) at any time unless:
- 20.1.1 You have given us prior written notice of the Relevant Event, you have obtained our written consent to the Relevant Event, and you have complied with any reasonable conditions we have set for giving you this consent; and
- 20.1.2 The intended occupant has signed an Occupier's Deed after first receiving independent legal advice from a solicitor of the occupier's choice who must not be from the firm who acted for you.
- 20.2 We will act reasonably in deciding whether to grant the consent referred to in paragraph 20.1.
- 20.3 If we become aware that a Relevant Event has occurred without our consent, we have the right to require such tenant(s), licensees(s) or other person(s) to leave the Property. If we delay in enforcing this right, we may still enforce it at any time.
- 20.4 Once the Occupier's Deed has been executed, the occupant may live in the Property for up to three months after your death (or the survivor's death in the case of joint Borrowers). If you (or the survivor) cease to live permanently at the Property because you need Long Term Care the occupant may live in the Property for up to three months from the date on which you (or the survivor) ceased to live permanently at the Property.
- 20.5 You must not transfer, assign or dispose of your interest in the Property to any person or create any mortgage or charge (other than the Mortgage) over the Property.
- 20.6 You must not carry out or permit to be carried out any material alterations to the Property or build new buildings or remove any existing buildings or structures without our written consent. We will act reasonably in considering whether or not to give our consent.

- 22.1.4 If you acquire the freehold or an extended lease of the Property you must sign a mortgage in our favour over your interest in the freehold or extended lease.

23 Joint Borrowers

- 23.1 In a case of two Borrowers your obligations to us will be joint and several. This means that you are both responsible to us for the full Total Outstanding and if one of you does not comply with any obligation, you will both be fully responsible for the full consequences of such failure.
- 23.2 If your Property is held by you jointly as beneficial Tenants in Common you both acknowledge that your right, under the Terms and Conditions, to live in your home for the rest of your lives is a right that may be affected by your rights against each other. In particular you both acknowledge that the right of each of you (including those deriving title from you e.g your Personal Representatives) to seek a court order for the sale of your home following the death of one of you may result in the right that the survivor has to remain in the home until that survivor's death being overridden by such a court order. If you currently or in the future own the property as Tenants in Common then when one of you dies the remaining borrower may not be able to access any unused Drawdown Facility.

F. Our Rights

24 Our rights

- 24.1 Section 93 of the LPA, which restricts our ability to consolidate mortgages, shall not apply to the Mortgage.
- 24.2 If there is (a) a Designated Event or (b) the Total Outstanding has otherwise been due and payable for at least 6 months, as well as our other rights under the Terms and Conditions and the Mortgage, we shall have the following additional rights, whether or not demand for payment has been made:
- 24.2.1 We will be entitled to immediate repayment of the Total Outstanding;
- 24.2.2 We may sell the Property under the power of sale given to us by the LPA or our general power of sale. We may use the net proceeds of sale to repay the Total Outstanding; and
- 24.2.3 We may appoint a receiver as described in paragraph 25.

Pure Retirement Heritage Lifetime Mortgage Conditions

- 24.3 Our right to sell the Property will continue even if you remedy any breach.
- 24.4 If we sell the Property, we shall deduct the Total Outstanding (including selling costs and our reasonable expenses) from the proceeds of sale.
- 24.5 If you leave the Property for a continuous period of 6 calendar months or more and we or a receiver take possession of it, we may remove any personal belongings which you leave behind. We may sell those belongings or store them on your behalf. If we sell those belongings we may use the net proceeds of sale to reduce the Total Outstanding. If we store them, you will be responsible for the storage costs.
- 24.6 Your Property and the Mortgage are security for the Total Outstanding and any other money you owe us under any account whatsoever that you hold with us thereby entitling us to utilise the proceeds of sale of the Property to settle any outstanding liability you have in respect of any account with us or to require you to pay sufficient from the sale proceeds to satisfy your liability to us should you proceed to sell the Property in accordance with paragraph 13.

25 Appointment of receivers

- 25.1 The LPA gives us the right to appoint a receiver over the Property. Where we appoint more than one they will act jointly and severally.
- 25.2 We may give any receiver we appoint any powers and authorities which we think are necessary or appropriate. The receiver may exercise any right or power we have. If we do this we will not be regarded as a mortgagee in possession of the Property.
- 25.3 Any receiver we appoint will be regarded as your agent and we will not be responsible for their actions and omissions but you alone will.
- 25.4 We may agree payments to any receiver we appoint although you will be responsible for payment of the receiver.
- 25.5 If we appoint a receiver we may take out any indemnity insurance reasonably required by the receiver in connection with his appointment. You will be responsible for the cost of this.
- 25.6 At any time after taking possession of the Property or appointing a receiver we may give up possession or cancel the receiver's appointment. If we decide to do this, we will tell you as soon as possible.

26 Power of Attorney

- 26.1 For the purpose of protecting or preserving our interest in the Property and our rights under the Lifetime Mortgage, you appoint us and any receiver appointed by us to be your attorney. The attorney will be legally entitled to do things on your behalf and the attorney's acts will bind you as though you had done them.
- 26.2 Under the power of attorney, we may;
- 26.2.1 Execute any document or do anything which you are required to do under the Terms and Conditions; or

26.2.2 Delegate our power of attorney to third parties where this is reasonably necessary to help the exercise of our powers.

26.3 We will not be liable for anything which is done under the power of attorney unless we have not used reasonable care in exercising the power.

26.4 You cannot revoke this power of attorney until the Mortgage has been discharged.

27 Assignment

27.1 We are entitled to assign, sell or transfer or otherwise deal with any of our rights under the Lifetime Mortgage (called in this paragraph 27 a 'Transfer') to any person. By entering into this Lifetime Mortgage you consent to a Transfer without any further consent being required from you. You agree promptly to enter into any documents necessary to give effect to such a Transfer.

27.2 Any such Transfer will be made subject to your rights under the Lifetime Mortgage and will not reduce your guarantees under the Lifetime Mortgage.

27.3 We will be entitled to disclose to any actual or potential assignees or transferees (and their advisers) any information about you or the Lifetime Mortgage that we reasonably consider appropriate in connection with the actual or potential assignment or transfer of the Lifetime Mortgage.

27.4 Following any such Transfer, any references in the documents comprising the Lifetime Mortgage to lending or underwriting criteria shall be deemed to refer to the lending or underwriting criteria of the party to whom the Transfer was made.
